## Use of “LeaveHomeSafe” Mobile App

With effect from 1 March 2021, all people entering the public service halls and offices of the Companies Registry are required to use the “LeaveHomeSafe” mobile app to scan the QR code of the public service halls or offices concerned before entry in order to tie in with the epidemic prevention measures of the Registry. Any person who does not use the mobile app will be required to **provide his/her name, contact number and the date and time of visit** to the staff onsite. The information provided will be used to facilitate the work of the Government in controlling the spread of COVID-19 and related purposes only. Any person who does not use the mobile app and refuse to provide the required information will be denied entry to the Registry.

We appeal to your cooperation with the Registry in fighting the COVID-19.
