When should I apply for the renewal of my trust or company service provider (“TCSP”) licence?

If you wish to continue to carry on your trust or company service business upon the expiry of your licence, you must apply for the renewal of your licence **at least 60 days before the licence is due to expire**, i.e. the due date for submission of application for renewal (“due date”).

How can I check the expiry date of my TCSP Licence?

此牌照的有效日期由 2018 年 5 月 5 日至 2021 年 5 月 4 日，在此日期前被暫時吊銷或撤銷者除外。

This licence shall be valid from 5 May 2018 to 4 May 2021, unless suspended or revoked earlier.

I forget to apply for renewal of my TCSP licence on or before the due date. What should I do?

You have to apply for a new TCSP licence if you still wish to carry on a trust or company service business in Hong Kong. However, before you are granted a new licence, you must cease all your trust or company service business. Otherwise, you will commit an offence of carrying on a trust or company service business in Hong Kong without a licence and will be liable on conviction to **a fine of HK\$100,000** and **imprisonment for 6 months**.
